London, UK | +44 7344 374842 | friscaelfiona@gmail.com | linkedin.com/in/friscaelfiona

PROFILE

HR business partner and people analytics professional with 5+ years in fast-growing tech and fintech companies, covering Southeast Asia, the US and EMEA. Experienced in building cost models and role frameworks for market entry, workforce planning, new entity setup and employee transfers, structured hiring across functions and seniority levels, and presenting recommendations to senior leaders. Works in Excel, Power BI, SQL and Python, and partners closely with Finance, Commercial, Tech and Product business leaders.

EDUCATION

MSc People Analytics and Human-Centric Management Sep 2026 – Present
UCL School of Management, University College London, London, UK

- **Government scholarship holder (LPDP),** awarded for postgraduate study abroad.

Bachelor of Psychology (Industrial and Organisational), GPA 3.69 2017 – 2021
Universitas Indonesia, Depok, Indonesia

- **Thesis on change leadership and employee adaptability** in Indonesian state-owned enterprises, using quantitative research methods.

PROFESSIONAL EXPERIENCE

HR Manager | *Nimbly Technologies, Jakarta, Indonesia* Jun 2026 – Present

- **Built a cost model comparing Employer of Record against a local entity** for a four-hire Thailand expansion, presenting the analysis to leadership and legal counsel to inform the market entry decision.
- **Designed a Responsibility Stretch Framework covering 19 roles** and presented it to C-level leaders, defining scope and expectations by role across six country entities.
- **Built the HRIS, org chart and job architecture from scratch,** standardising 37 job descriptions into one career template, and managing salary adjustments and pay documentation as the sole HR lead across Indonesia, Singapore, Malaysia, Thailand, India and the Philippines.
- **Led recruitment across Indonesia, Singapore and Malaysia,** hiring for roles from Sales Director to Chief of Staff.

Senior Associate, HR | *M-DAQ Global (Fintech), Singapore and Indonesia* Aug 2023 – Jun 2026

- **Led workforce planning and structured hiring** that scaled the Indonesia team from 50+ to 120+ employees across two entities, hiring across functions and seniority levels.
- **Set up a second Indonesian entity,** coordinating Legal, Compliance and Operations on one employee transfer plan delivered on schedule.
- **Led a multi-country workforce transition,** recognised as Best Employee of the Year 2024.
- **Led an HRIS migration covering 120 employees,** reducing manual HR administration by 20%, and built LeadX, a leadership development programme for 50+ managers.

Talent Sourcer and HR Intelligence (Remote, Freelance) | *Jitera, Japan* Jun 2023 – Aug 2025

- **Delivered market intelligence on compensation benchmarks and talent availability** across the US, APAC and EMEA to inform hiring and pay decisions.

Talent Acquisition Business Partner | *Fazz, Singapore* Aug 2022 – Aug 2023

- **Managed hiring across Singapore and Indonesia** during rapid scaling and improved pipeline quality by 28% within six months through data-led process changes.

People Partner | *Shipper, Indonesia* Jun 2021 – Aug 2022

- **Supported new entity setup in China,** aligning workforce planning and organisational structure with expansion, and contributed to 55% team growth in 12 months.

LEADERSHIP AND COMMUNITY

- **Co-founder, RecClub (M-DAQ Global staff recreation club):** organised social, sports and CSR events and ran engagement initiatives that reached 80% participation across three offices.
- **President, AIESEC:** four years of involvement in cross-cultural talent development.
